Discounts and conditions

Discounts are applied to the gross price of the purchased tickets. The following discounts apply to each ticket category (adult or group) for purchases of 50 or more tickets during the entire sales period.

Up to and including the 49th ticket	= 0%
50th – 499th ticket	= Basic discount = 10%
500th – 999th ticket	= Basic discount +3%
1,000th – 2,999th ticket	= Basic discount +5%
3,000th – 4,999th ticket	= Basic discount +8%
5,000th ticket onwards	= Basic discount +10%

- The basic discount is applied on an ongoing basis. Higher discount rates for tickets from the 500th onwards will be applied to the final invoice only after the garden show has ended. We determine the highest discount tier achieved for each ticketing rate and apply this retroactively.
- We offer a 10% discount on the gross price (without further tiered pricing) of 'Concessions' and 'Young adults' tickets from the 50th ticket onwards.
- Tickets purchased at the box office are not eligible for discounts and will not be included in the final invoice.
- We will accept returns of unused tickets until 15 November 2027 and credit the amount in the final invoice.

Ticket processing and collection

You will need to register (sign up) on the IGA 2027 website or enter into a distribution agreement before you can take advantage of our discount programme and place a ticket order.

Tickets by post

- The partner orders tickets by phone or e-mail, providing their customer number.
- The partner will receive a delivery note and invoice with each order. The invoice includes discounts applied as per our discount policy.
- The invoice is due in full within six weeks of receipt.

Tickets from the reseller shop

- IGA 2027 provides its partners with access to a web-based ticketing system (reseller shop) through which tickets can be created and issued as A4 printouts, PDFs or digital tickets.
- Billing is processed on a monthly basis for the previous month. The partner will receive an invoice for all tickets purchased during the billing period. The invoice includes price reductions applied as per our discount policy.
- The invoice is due in full within two weeks of receipt.
